# WHAT NOW? LOCKDOWN?

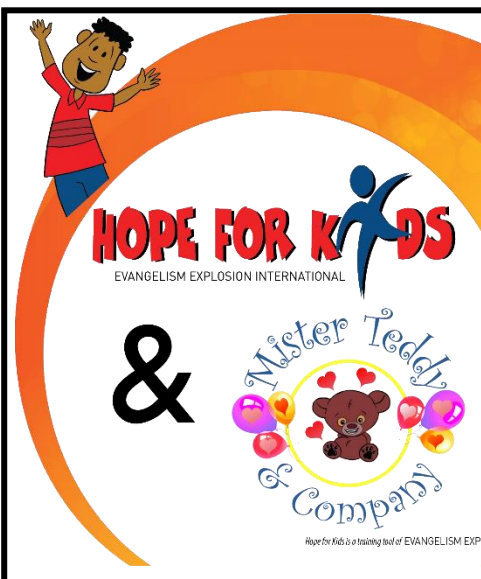

As always in every situation we do not worry about anything we get our answers from God through prayer and the Bible as His Word. We read in the Bible how Paul had to adapt his way of sharing the Gospel in every situation so we also have to adapt in these circumstances. When Paul and Silas were in prison (Acts 16) they started singing and praying to the inmates that even they came to faith. When Paul was in house arrest(lockdown) for 3 years he wrote most of what we know today as the New Testament. The believers have always found ways of proclaiming the Gospel. In trouble times of even persecution and tribulation the Church and witness of the Gospel grew even stronger than in times of comfort. So “WHAT TO DO NOW” what we have always done, just more in a different way than before. The Gospel stays the same, the method changes constantly

Hope for kids training for Grade 4 to Grade 7 will be available in a package to be used at churches and schools during 2021. May God use this to reach even more young people for His Kingdom.

Through God's grace and our faithfulness in continuing to ask at Checkers Newton park the Door to the ministering of His Gospel and Discipleship through His Word has opened. God will open what he will and close what needs to be closed. Thank Him because He knows best. Ministry points opening during this time of need is a great opportunity for the Great Commission

## **Brother Lafras Moolman**

We are all SAD and GLAD to see our brother Lafras move from Port Elizabeth to Despatch. SAD because we will not be in touch so often as before, GLAD because this is new ground that He can reach with the Gospel and for the Lord Jesus Christ. He has already reached all the people in the house where he stays now, he is continuing with weekly voice notes to Greenacres Hospital nursing staff and his wheelchair is ready to roam the streets of Despatch once the time is ready

## **STATS – EE-SA**

**11032 people trained so far in 2020. Implementations in 236 places**

We want to use this opportunity to thank all that has donated towards EE-SA. This donation made it possible for us to share the gospel. We could print material and spread the Gospel by having fulltime trainers and Evangelists that devoted their lives to sharing and equipping others to share the Gospel. We know times are tough on all of us and we know that financially all families and businesses have to adapt and make changes. We have to also adapt and will continue to spread the Gospel of Jesus Christ by sharing and equipping believers. In this time the seed we sough in the past will come up and bring in a harvest of people that accepted the Lord Jesus Christ and can now share it with others. We would like to continue to share and equip others to do the same. If it is in anyway possible to continue on giving towards this cause, we ask you to continue and we pray to God who the harvest belongs to, to send what is needed in this time.
