The Christian Care Group and community helpers aim to reach all people in need who call for help whether it be physical, mental, financial, spiritual or medical.

Practical assistance is given in providing transport to specialists, hospital and clinics as well as with shopping, administration, application for pensions, old age home fascilities and financial arrangements. Follow-up visits are made to ensure that these needs are being met.

Monthly food parcels are still being distributed to those who qualify, meals are also delivered as required and local soup kitchens are supported. In an effort to promote self-sufficiency vegatable gardening is encouraged and seeds are supplied.

Stationary, magazines, books, Bibles, clothing, linen, blankets and food, donated by churches and community members, are distributed to those who will benefit most.

Weekly spiritual Chrisitian Fellowships are still being enjoyed by regular attendees. A year end Christian party is held for the elderly in the community. A blanket making project that began on Madiba Day is still being supported by the ladies who continue to knit and crochet lovely blankets.

Some local home study learners have shown interest in and wanted to help with the Christian Care work. They have given assistance with projects such as cup cake decorating and the handing out of clothing. They are planning to add enrichment to an impoverished creche with interaction through music.

All people in need in the Bedford Community are assisted regardless of race or locality. Those in more favourable circumstances are made aware of the community needs and in giving are blessed as well as the receivers.

7. Beskryf die STAPPE / FASES van die projek en die tydsverloop van elk

Stappe / Fases	Tydsverloop
Our Christian Care projects are continuous. Our community, having been made aware of our work, make generous contributions of clothing, blankets, stationery, toiletries and various other goods which we in turn distribute.	
Some churches and individuals give monthly financial support.	
Food parcels are given monthly.	
The Christian Care committee controls all donations, keeping a close record of how they are used.	
The needy are identified and assisted as required. Groceries are supplied to soup kitchens as needed. Fellowships are held weekly. Gardens are visited regularly.
