The Christian Care Group and Community helpers aim has always been to reach out to all people in desperate need who call for help in the community. Through Gods Grace we are able to actively serve the community of Bedford.

We provide transport to doctors, hospitals, We also assist when people are in need of care workers etc.

We offer financial support to those who are ill and unable to afford treatment and medication.

General financial support is also provided to those debilitated due to their financial /employment status.

Monthly food parcels are assembled at the Bedford Spar and distributed to the needy from the store.

We support our local soup kitchens with groceries and are also fortunate to receive meat which we receive from our farmers.

When in a crises for example if individuals loose their homes due to fires we try our best together with the community to support those in need. In this way we create awareness.

Through the Lords enabling Grace the whole purpose of Christian Care is giving hope and support to His people. Our goal is to continue supporting the community, also creating awareness in our community of Bedford, hopefully reaching even more people in need.

All the people in the Bedford Community are assisted regardless of race or locality. Those in more favourable circumstances are made aware of the community needs and in giving are blessed as well as the receivers.

7. Beskryf die STAPPE / FASES van die projek en die tydsverloop van elk

Stappe / Fases	Tydsverloop
Our Christian Care projects are continious.	
Our community, having been made aware of our work, make generous contributionsof cash, clothing, food, shoes ,blankets, toiletries, toys and various other goods which we in turn distribute. Ready made meals are given to those who are ill or to the families who have lost loved ones.	
Two of our churches and some individuals in our community give monthly valued financial support.	
Food parcels are handed out monthly. Soup Kitchens are given food monthly. People in financial need are given cash monthly.	
The Christian Care Committee controlls all donations, keeping a close record of how they are used. The needy are identified and assisted as required. We are assisting a Sunday School, once a week with stationery, food , clothing etc. We have assisted school children with school clothing ,shoes and stationery.

Bedford Christian Care Group – Our Story and Work

Bedford Christian Care Group (BCCG) was founded in 2005 out of a deep conviction to serve and uplift those in need within our community. It began when we encountered a widow and her son in urgent need of help, and their situation stirred us to act. From the outset, we formed a committee of ladies from different churches, united by a shared vision to respond to the needs around us and create awareness of what was happening in Bedford. From those early days, the work has grown into a registered non-profit company, run entirely by volunteers committed to bringing hope, dignity, and practical support to others.

Why We Do What We Do

Our mission is to be the hands and feet of Jesus in Bedford – reaching out to those who are hungry, sick, alone, or facing financial hardship. We aim to offer not just practical help, but also kindness, dignity, and hope.

What We Do

- **Meals & Food Parcels:** We deliver ready-cooked meals to the ill and housebound, and provide monthly food parcels to around 42 families. In the past, our parcels were much larger, containing generous amounts of maize meal, bread flour, soya, and soup. However, with rising prices, we have had to reduce the quantities, and our parcels are now smaller — though we still strive to provide enough to make a meaningful difference.
- **Transport:** When someone needs to get to hospital and has no way to go, we arrange and cover their transport.
- **Clothing & Blankets:** We give out donated clothes and handmade blankets, thanks to the love and hard work of people in our town. Our “Blanket Initiative” has been a beautiful community effort, involving local schools, churches, and individuals.
- **School Support:** We help children with uniforms, shoes, stationery, and textbooks so they can attend school with pride.
- **Financial Help:** We assist elderly people, including residents in the retirement village, who cannot afford their rent or are in financial distress.
- **Medical & Home Care:** We support families when someone suffers a stroke or heart attack by helping them find care workers and the equipment needed to nurse their loved ones at home until further arrangements are made. We also provide food during recovery, assist with wound dressings, and arrange care workers for those whose lives have suddenly changed.

- **Soup Kitchens:** We support two local soup kitchens, each serving one meal a week. These kitchens, along with others in Bedford serving on different days, are struggling financially to keep going. Farmers sometimes donate meat, which helps stretch their resources.

A Community Effort

Everything we do is possible because of the generosity of our community – from churches and farmers to neighbours who give quietly and faithfully. Yet the need is so great that we often struggle to meet it, especially when it comes to food parcels and soup kitchens.

Looking Ahead

We thank the Lord for His guidance and for everyone who supports us. Our hope is to keep building this circle of care so that we can reach even more people in our community, offering them not just food or assistance, but the assurance that they matter and are loved.
